**New Game Schedules will be available at the Rink on Saturday, January 2nd. They will also be available on-line at www.gfparks.org.

**Skills Night will not run over Christmas Break. We will continue Skills Night on Monday, January 4th.

**Outdoor Practices will begin on Tuesday, December 15th [Depends on weather and rink availability]
We will not hold Outdoor Practices from [Thursday, December 24th through December 31st]. Outdoor practices will begin again on Tuesday, January 5th.

**Saturday Games will begin on Saturday, December 5th. For the first half of the year, we will be playing half ice games. This is mandated by USA Hockey. We will run game slots 90 minutes! The first 40 minutes, we will run three zone station skills practices followed by a 45 minute half ice game. Coaches will coach and ref the games on the ice. During the skills sessions, the coaches will be putting a sticker on your child's helmet in the back of the helmet. It will either be a 1-stick, 2-stick or a 3-stick. This will be helpful in splitting the kids for the skills sessions and make it very helpful in getting kids split into the stations each Saturday.

**Towards the end of January we will begin 1-hour games and play full ice games with USA Hockey Certified Officials working the games. This schedule will run until the middle of February.

**Team and Player Picture date will be listed on the new schedules!
